Record Release Authorization

Choose the record(s) for which you authorize release, and designate one specific person, or one specific organization or agency to release the record(s) to. That one specific person can be yourself, if you are being advised remotely. Multiple persons and or multiple organizations/agencies will require multiple authorizations.

You must complete all areas including the name and address of the person (including yourself, if you are being advised remotely) or organization/agency to disclose to, the purpose of the disclosure, and if the disclosure may be made by phone, in person, or by email. If you choose to have your record(s) disclosed by phone or by email, you must provide a passcode that the person or organization/agency will need to provide prior to the disclosure or discussion of your record(s).

If there are records you wish to be released that are not on the list below, you will need to go to the Registrar's Office in Millican Hall, room 161 and request the paper version of the Records Release Authorization form. The release of disciplinary records information on Student Conduct Holds requires the completion of a disciplinary records waiver from the Office of Student Rights and Responsibilities.
